Dear Friends,

Thank you so much for downloading this FREEBIE! My students absolutely LOVE this egg-hunt language activity so I decided to share it with all of you.

This freebie is designed low on prep and high on fun!

All you need to do is cut out the small cards in this packet, place them in plastic Easter eggs and hide them in your room based on the hints provided. Each hint will allow your students to work on language skills such as prepositions, comparatives and attributes.

Next, give each of your students the Egg-Hunt Checklist and ask them to follow the hints to collect as many eggs as they can!

Creative Speech Lab is all about making meaningful and exciting speech and language learning experiences EASY for you to do! Please follow me below for more freebies, therapy ideas and creative inspiration!
