

## Earth Day

Earth Day is celebrated every year on April 22<sup>nd</sup>. It was first celebrated in 1970. People celebrate by doing things that help to protect the environment. Some things people do to help the earth are: turn off the lights to conserve energy, plant trees, recycle, and pick up garbage in their communities. You don't have to wait for Earth Day though, you can help the environment every day!

1. When is Earth Day celebrated?

2. What things do people do to protect the earth?

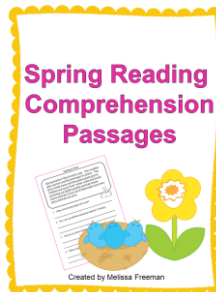

3. How do you think recycling helps the earth?

4. What can **you** do to protect the environment?

Thank you for downloading my resource. I would love to hear your feedback!

This FREEBIE is part of my  
[SPRING READING COMPREHENSION PACKAGE](#)

I also have [FALL](#), [WINTER](#), and [SUMMER](#)  
Comprehension packages available.

Check them out in my store:
